SKILLS

Technical Skills: Netlify, Chakra UI, Firebase, Python, Postman, Node.js, HTML5, RESTful APIs, Responsive Web Design, CSS3, MongoDB, Express.js, Git, Redux, React, JavaScript
Soft Skills: Teamwork, Adaptability, Attention to Detail, Problem Solving, Effective Communication

PROJECTS

Quantum-Visionaries_002 | *JavaScript, HTML, CSS*

- Deployed Link : https://quantum-visionaries-002.netlify.app
- Github Repo : https://github.com/Sharwan-Kumar-29/Quantum-Visionaries_002
- Contributed to the development of a whiteboard web application enabling users to draw, sketch, and brainstorm ideas online.
- Implemented secure user authentication features, allowing safe sign-up and login using Firebase.
- Developed basic drawing tools such as pencil, eraser, and color picker for an interactive user experience.
- Integrated functionality for saving and retrieving user creations by connecting the app to a Firebase database.
- Designed a simple and intuitive user interface using HTML, CSS, and JavaScript to ensure ease of use.

Ludo Star | *React, Node.js, Responsive Web Design, Git*

- Deployed Link : https://gaming-app-eosin.vercel.app/welcome
- Github Repo : https://github.com/Lupin1997/Ludo-Star
- Designed and developed an interactive online Ludo board game using React for the frontend.
- Implemented real-time multiplayer gameplay with Node.js and Socket.IO on the backend.
- Created responsive user interfaces to ensure a seamless experience across various devices.
- Added user authentication features to secure player accounts and manage sessions.
- Utilized Git for version control throughout the 5-day individual project development.

UNWIND | *React, Node.js, JavaScript, Responsive Web Design*

- Deployed Link : https://sahilkoshriya.github.io/UNWIND/
- Github Repo : https://github.com/Lupin1997/UNWIND
- Developed a responsive web application for searching movies and TV shows using React.js and Node.js.
- Integrated TMDB API to fetch and display real-time movie and TV show data.
- Implemented server-side data transformation to deliver optimized responses to the client.

- Applied responsive web design principles to ensure usability across devices.

- Applied responsive web design principles to ensure usability across devices.
